REMARKS

It has come to the attention of the Applicants that the above-identified patent includes a mistake of a clerical or typographical nature and/or of minor character. Applicants

AUG 2 2006

respectfully request that a Certificate of Correction be issued for this patent which corrects the above-identified mistake. Attached hereto is a complete form PTO/SB/44 which corrects all of the above-noted mistakes in the above-identified patent. *No fee is believed to be due.*

The corrected mistakes indicated herein resulted from typing errors and/or inadvertent data entry errors on the part of the U.S. Patent and Trademark Office.

Attached is a copy of the Issue Notification that was received from USPTO with the correct spelling of inventors name and the correct residence of the inventors. Thus, the mistakes in the published patent occurred on the part of the USPTO. The corrections noted above do not introduce new matter. Moreover, the corrections above may be made without substantive reexamination of the type undertaken in reissue and statutory reexamination proceedings. In view of the above comments, and the nature of the above corrections, Applicants believe this request fully complies with 37 C.F.R. §1.322. Thus, Applicants respectfully request issuance of a formal Certificate of Correction for the above-identified patent.
